

SACO WOMAN HURT

Saco, Me.—Mrs. Hamilton of this city tells of a quite painful experience she had and how she came safely through it, owing to a treatment originated by a Scotch doctor. Mrs. Hamilton says: "I have received great benefit from its use. It is the best thing for burns, headache and all kinds of pain. A short time since I caught my finger in an iron trap, thought I had broken the finger, and would lose the nail, but I kept it saturated with Mysterious Pain Ease and it came out all right in a short time and did not even leave a scar. I can not say too much of its merit. Hope it will always be kept in my home." Through the recommendation of one person to another Mysterious Pain Ease has been used for sciatica, neuritis, neuralgia, muscle cramps, chilblains, pain arising anywhere from inflammation, stiff neck, rheumatism, burns, sprains of all kinds, lumbago and pain arising anywhere from inflammation.—Advertisement.
